Stephen,

April 5 is the Port Commission meeting and PHA will not be able to attend the call. Please reschedule to later in the week at a time that will work for PHA.

We are available April 7 from 9-4 or April 8 from 9-3.

Please let me know as soon as possible which date and time works.

Thank you.

Nicole

Subject: update on watershed vision meeting

Hi Casey, Ron, Nicole:

- 1) Is everyone available for a conference call to touch base with each other on Tuesday April 5, from 10 - 11am?
- 2) Results of the SJRWP fingerprinting on the identified watershed areas will be finished this week. I'll be sending the report to you and we can discuss on the call as well.
- 3) Is there a specific POHA address and room that can identified on the agenda for the attendees?
- 4) Attached is the updated watershed map reflecting POHA comments (see legend):
